Total Monitoring Time \_\_\_\_\_

Total Analyzed Time \_\_\_\_\_

Maximum Heart Rate \_\_\_\_\_

Minimum Heart Rate \_\_\_\_\_

Average Heart Rate \_\_\_\_\_

**Veterinary Interpretation:**

I hereby certify that the standards for cardiac examination as set forth by the OFA were carefully followed in performing this examination.

- NORMAL cardiovascular examination – congenital heart disease is not evident
- EQUIVOCAL cardiovascular examination – congenital heart disease cannot be diagnosed nor excluded
- ABNORMAL cardiovascular examination is indicative of congenital heart disease
